Join us for an adventure in conservation and cranes! In the morning we will visit the Leopold Center in Baraboo – the site of famed Wisconsin conservationist Aldo Leopold’s shack. We will enjoy a guided walk to the shack followed by time for lunch and a tour of the LEED certified center building. Then it’s a short drive to visit the International Crane Foundation where we will learn about and view all 15 species of the Earth’s cranes. Your fee includes coach bus transportation, admission fees at both sites and a snack. Please bring a bag lunch and beverage. Plymouth pick-up at 7:30am (Plymouth Wal-Mart) if needed. We plan to have an ice cream stop on the return trip. Approximate return time 7pm. This tour will involve walking on a dirt trail at the Leopold Shack. The walking tour lasts approximately 90 minutes. Trails at the Crane Foundation are ADA accessible and paved. Tours are held rain or shine. Dress accordingly. Tour is appropriate for high school age and older. Payment required to hold your reservation. Tickets are non-refundable, but may be transferred to another individual. Limited seating. Please return the form below with your cash or check payable to Maywood. Sorry no credit/debit cards. One form per person. Form may be copied. Maywood, 3615 Mueller Road, Sheboygan, WI 53083.
