

Thank You 2020 Donors & Supporters

The Environmental Park Trust of Sheboygan County thanks and acknowledges the many donors whose generosity ensures the present and long-term financial security of Maywood through gifts to its Annual Operations, Endowment, and Special Projects Funds. Your generosity helps fulfill the Maywood mission of connecting our community with nature.

All categories are based on cumulative donations received during the 2020 calendar year.

Oak Circle – Sustainers of the Generational Forest

Oaks are prized as trees whose lives span many generations. Established in 2017, the Oak Circle recognizes individuals and organizations contributing \$500 or more during a fiscal year. These contributions are honored through the Generational Forest being established at Maywood. The forest features a variety of native oak species and serves as a symbol of multi-generational care for the environment.
