

## Corporate Teams

Join us this September for our 2<sup>nd</sup> Earth Miles 4 Maywood event. Participants can select from any self-propelled activity and a variety of mileage goals to meet during the month. Proceeds benefit the programs and park projects at Maywood. This year's hybrid format will offer a month-long virtual event for participants to meet their mileage goal and in-person mini-events at the park.

### Team Building For Your Employees

Earth Miles 4 Maywood offers the opportunity to create team building activities for your employees and their families to participate in. We will be offering several organized mini-events at Maywood that your employees and their families can participate in. It is also a great opportunity of self-organized activities such as lunch break walks.

### Wellness Opportunity

Do your employees need to meet wellness program activity requirements? As a month-long event, Earth Miles 4 Maywood can help individuals set goals and work throughout the month to meet them. This year's program will include motivational emails to encourage and inspire participants to achieve their mileage goals.

### Support a Community Resource

The proceeds for Earth Miles 4 Maywood support programs and park projects. Maywood is open 365 days a year free of charge. Many of the park projects benefit our entire community. Our programs are free or have a nominal fee to make them accessible to as many people as possible.
