

**Earth Miles 4 Maywood
Hybrid Event and Fundraiser
September 1-30, 2021**

Rules of the Event and Timeline

- This is a hybrid event in which you will participate independently and you are solely responsible for yourself in self-propelled activities throughout the month. Additionally there will be in-person events scheduled.
- Children under the age of 16 must be supervised by a parent or guardian while participating in Earth Miles 4 Maywood activities.
- The event runs from Wednesday, September 1, 2021 through Wednesday, September 30, 2021. All activity reports must be submitted by NOON (Central) on Friday, October 1, 2021.
- Activities while participating in Earth Miles 4 Maywood must be self-propelled. Examples include walking, running, hiking, road bicycling, mountain bicycling, rollerblading, kayaking, canoeing, paddle boarding, and swimming.
- For all virtual activities, you are responsible to provide your own equipment that is in good working order including all recommended safety equipment for your chosen activity. Examples of safety equipment include (but are not limited to): helmet, personal floatation device (lifejacket), high visibility clothing, knee pads, wrist guards, and protective eyewear.
- You are responsible for knowing and following all applicable laws and safety guidelines for your virtual activity. You are responsible for any required licenses, fees, permits, or trail passes.
- You are responsible for monitoring weather conditions before and during your chosen virtual activity.
- Additional rules may be posted to the Maywood website (www.GoMaywood.org) and/or emailed to registered participants at the email address provided during registration by any event officials, safety officers, or anyone else officially helping to administer the event.

For questions, please contact Maywood at (920) 459-3906 or email maywood@sheboyganwi.gov.
